## ***Masonry is alive and well !***

**Brethren,**

We must stay engaged in our Masonic endeavours. In an attempt to keep you up to date, you are receiving this Newsletter. If you have any suggestions or interesting thoughts, pass them on to me for inclusion in the next edition.

Over the holidays please try and think of a fundraiser for Spring to help support Lodge and various Charities. During these trying times, many need our support.

### **Brethren of Mount Zion #28**

As we look at the month of December we know that the approaching holiday season holds special meanings for us as Freemasons. Our philanthropy is what makes possible the outstanding services of the Masonic Charities that provide for our brethren and their families, the elderly and the youth, and our ability to reach out into the community to help our friends and neighbors. We show our charity as Freemasons through the vital programs and services of all the Masonic Charities.

Although we will be unable to give to our Masonic Charities as a collective this year, I ask you to consider making an individual donation.

As you reflect on the blessings in your life, consider the opportunity you have to benefit many, be part of a community and demonstrate the main principles of the fraternity; brotherly love, charity and truth

I wish you all a safe and happy holiday season: "stay positive and test negative".

W.M. Bro, Thompson
