Masonry is alive and well !

Brethren,

We must stay engaged in our Masonic endeavours. In an attempt to keep you up to date, you are receiving this Newsletter. If you have any suggestions or interesting thoughts, pass them on to me for inclusion in the next edition.

Over the holidays please try and think of a fundraiser for Spring to help support Lodge and various Charities. During these trying times, many need our support.

Brethren of Mount Zion #28

It is my sincere hope that this message finds you and your loved ones all safe and sound during these tumultuous times.

Although January 1st usually signifies a new beginning for many, as I watch the news, it seems as if 2020 (and the issues defined by that year) is continuing.

While it is true that as of this message that there is now a vaccine roll-out to combat the Covid-19 pandemic we still must be diligent. So please remember to be careful when interacting with each other. To the many front line workers, doctors, nurses and medical staff who have laboured tirelessly, under near impossible circumstances, overworked, understaffed, under-resourced, and under-appreciated, I (and our entire lodge) would like to say: THANK YOU ALL from the bottom of our hearts.

With all that the world is going through, our masonic vows are more important than ever. We shall stand beside one another and show support for our brethren by reaching out and checking in on each other. We will make ourselves better men and better Masons by working the quarries together, reaching out to our brothers, taking care of our brethren, and looking out for each other. If we do, we WILL get through these difficult times and come out stronger, united as a brotherhood of men.

I look forward to meeting with you all again and getting back to work in the quarries my brothers! Until then, may the GAOTU watch over you all, and may He guide, protect, and bless you and your families.

Thanks Again

Evan Thompson
