**WM Gordon Wyse**

Brethren,

I hope this communication continues to find you and your loved ones safe and well.

There appears to be some light coming from the darkness we have been in. Grand lodge in their last notice has opened up the possibility to hold Masonic meeting under certain conditions. (see attached pdfs)

Our Board of General Purposes and Temple Board have been busy preparing for the reopening.

It was unanimously passed that we prepare to open the lodge in January 2022. Accordingly, we will be reinstating our normal dues. **Dues are due by January 2022.** If paid before January 2022 the dues are discounted to \$110 and if paid in January 2022 they are **\$130.**

Brethren in the lodge continue to prepare the lodge facility. W. Bro Conn is co-ordinating painting and cleaning of the vinyl floor and V.W. Bro Chaikowski is finishing the window renovation. The lodge is also looking into hiring cleaners for the lodge for our ongoing cleaning requirements.

There is also much to prepare for in terms of Masonic work. In January the plan is to hold an emergent meeting, after giving notice, for an election of Lodge Officers. We then plan on installing the new officers at our regular meeting in January. I look forward to co-ordinating the above and reaching out to members to participate. I look forward to returning to lodge and seeing all of you again.

Sincerely and Fraternaly,

Gord Wyse WM

## Credits and Sources

Obviously, I used LibreOffice Draw to create this template. It's a free download at [libreoffice.org](http://libreoffice.org) and is one of the all-time great open-source tools. This template should work equally well with Apache OpenOffice Draw but I have not tested it.

The school "logo" in the banner came from [openclipart.org](http://openclipart.org), a useful source for free graphics

The newsboy photo came from [wikimedia.org](http://wikimedia.org) (originally from the Toronto Star) and is in the public domain. I think Wikimedia should be every educator's first source for photos.

The old jackalope postcard came from [flickr.com/jfraser](http://flickr.com/jfraser) (CC BY-NC-SA 2.0) and was found using their excellent search-by-license feature. Highly recommended!
