## From the Master

**WM Gordon Wyse**

**Brethren,**

I hope this communication finds you and your loved ones all safe and well.

I am extremely honored to be back and sitting, once again, in the Chair of King Solomon at Mount Zion. I would like to take this opportunity to thank W. Bro. Thompson for his commitment to the Craft and for his leadership to steer our lodge through these uncertain times while I was away. As you know, with the continued provincial public health orders in place Grand Lodge has still not given us the “green light” to meet and spend time together in fraternal fellowship. That being said, improvements are continuing to be made to our lodge so that we are able to return in a safe environment whenever that may be. I have included some pictures of these improvements for you to peruse at your leisure.

In addition to these efforts, the Board of General Purpose and Temple Board continue to meet as required. Our last such meeting occurred in late August and included discussion on the following topics:

(i) continued building improvements and enhancements for new COVID safety protocols;

(ii) progress made for on-line payments for lodge dues. It is anticipated that we will be having another joint Board of General Purpose/Temple Board meeting within the next couple of weeks. For those interested in participating please reach out to either myself or W. Bro. Blake.

It should go without saying but I know I, like the majority of you, look forward to meeting with you all again soon and getting back to work in the quarries! Until then, may the GAOTU watch over you all, and may He guide, protect, and bless you and your families.

As always please do not hesitate to reach out if there is anything we can do to support you.

Sincerely and Fraternally,

Gord Wyse WM
